COUNTY SOLID WASTE DISTRICT SETS NEW HOURS

At its regular meeting on May 27, 2020, the Greene County Solid Waste Management District Board directed its president, Edward L. Michael, to review and establish updated hours of operation for both Switz City and Linton facilities. The new hours will take effect the week beginning Monday, June 8, 2020. The following hours have been established for the locations:

1. Switz City hours of operation will be Tuesday through Saturday from 8:00 AM until 4:00 PM. The facility will be closed on Sundays, Mondays, and holidays. The facility will continue to accept household trash and recycling.

2. Linton hours of operation will be on Wednesday, Friday, and Saturday from 10:00 AM until 4:00 PM. The facility will be closed on all other days and on holidays. This facility accepts trash only as recycling is not available at the Linton location.

Employees will continue to exercise social distancing and other public health precautions recommended in the Governor's most recent executive order, including use of masks and goggles or face shields. Members of the public are strongly encouraged to wear masks and to maintain social distancing.

Members of the public are asked to remain in their vehicles and to permit District employees to unload their deliveries. If an individual must exit the vehicle to open a trunk, the District employee will maintain a suitable social distance until the driver has re-entered his or her vehicle and only then will approach and unload the vehicle.
