

## CLARIFICATION OF COVID-19 RESPONSE REQUIREMENTS FOR GREENE COUNTY BASED ON COLOR CODE INDICATED ON STATE MAP

In keeping with the Governor's [executive order 20-48](#), Greene County has moved back from Stage 5 and are adapting changes at the County level based on the County's color code indicated on the COVID-19 state map. Reference: [Coronavirus Response Requirements November 15, 2020 through December 12, 2020](#). Local, municipal, and other community leaders will meet weekly to review area COVID-19 status, discuss actions, answer questions and/or field requests during Orange and Red indicators. Once additional measures are taken to mitigate the spread of COVID-19, the County will continue those measures until two consecutive weeks of reduced color code status is actualized. The information below further defines measures taken in Greene County in tandem with the Governor's executive orders at Orange and Red levels.

### ORANGE

#### COMMUNITY

---

All social gatherings held indoors or outdoors are limited to 50 people provided those 50 people can adequately socially distance. If social distancing cannot be accomplished, attendance is further limited to the number of occupants that can accomplish social distancing. All participants must be masked when not consuming food or drink. No buffets and/or communal distribution of food or food service items i.e. cutlery, dishes, etc.

Indoor special, seasonal, or commercial events where 50 or more are expected to attend, require a public safety plan approved by the local health department prior to proceeding with the event. Plans must be submitted 7 days in advance.

Community recreational sports leagues and tournaments may continue with attendance limited to participants, required personnel, and parents or guardians only.

All retail businesses are required to place clearly visible signage at their public and employee entrances notifying face coverings are required for all individuals entering the business.

Food establishments shall continue per executive order 20-48 and adopt the following exceptions:

- All participants must be masked when not consuming food or drink. No self-service buffets and/or communal distribution of food or food service items i.e. cutlery, dishes, etc. No self-service refills with personal or previously used cups.
- No plexiglass or plastic dividers between booths and tables has an alternative to social distancing dinners.

## SCHOOLS

---

All high schools experiencing an internal surge of student or staff absenteeism related to COVID-19 or other respiratory illnesses and close contact quarantining shall move to hybrid or all virtual instruction at the discretion of each school district's superintendent in consultation with and full support of the Greene County Health Department.

All elementary and middle schools will be in-person Monday through Friday. Elementary schools experiencing student absenteeism related to COVID-19 or other respiratory illnesses will be evaluated by their district's superintendent in conjunction with the Greene County Health Department to determine if the school moves to hybrid or all virtual instruction.

### Extra-Curricular Events:

- Each player will receive one ticket for a parent who can authorize medical care in the case of an injury or health emergency suffered at the game.
- Each player will receive up to an additional three tickets for disbursement only if the 25% capacity requirement is not exceeded. If the requirement cannot be met, one ticket per participant will be allowed. No additional tickets will be granted.
- All individuals MUST always be masked and maintain social distance between family units.
- No pep blocks allowed.

## CHURCHES

---

Social distancing of at least 6 feet between family units and adherence to sanitation measures are required.

Wearing face coverings is strongly encouraged.
